Other required elements

- Patient Forms and Office Policies: These can all be found and downloaded on any Care Center website under Resources and Become a Patient both versions when available (English and Spanish). Care Center specific forms cannot be duplicative or contradictory to these forms.
    - Authorization for Release of Medical Information (PDF) - Allows patients to authorize the disclosure of their health information to a designated individual, company, agency, or facility.
    - Authorization and Consent for Treatment (PDF) - All patients must provide their consent for treatment, communications (calls, emails, and text messaging), and

agreement of financial responsibility. Autorización y Consentimiento Para el Tratamiento
    - Preferred Contacts (PDF) - Patients are encouraged to complete and return the Preferred Contacts Form but it is not required. Contactos Preferidos
    - Financial Policy (PDF) - This form advises patients of their complete financial responsibility for all medical services received without regard to insurance eligibility or coverage determinations.
    - Notice of Privacy Practices (PDF) - Describes how health information about you (as a patient of this Care Center) may be used and disclosed, and how you can get access to your individually identifiable health information. Please review this notice carefully.
    - HIPAA Privacy Notice
    - Language Services
- Alert Banners: Functionality to alert visitors for things such as any phone issues, office closures or relevant medication recalls etc.

Maintenance Requirements

- Upon notice from Privia of new forms or content requirements, your website must be updated within 7 business days of notification. Your website will be audited quarterly to ensure it is meeting the Privia standards. If at anytime it is not meeting the requirements defined, those changes must be made within 7 business days of notification.
- Contractual commitment to website availability (Privia recommends 99.7% uptime)

"Carve Out" Service Requirements

- Carve out services must be noted with an asterisk (or similar) among the full list of available services. A carve out service is defined as a service and/or product offered by the Care Center/providers that are not included in the Privia partnership (meaning it is not billed under Privia's tax ID) and is outlined in your legal agreement. Examples: eyewear, dietary supplements.
- At the bottom of the services page, the following disclaimer must be added. This treatment of Carve Out Services must be applied any time they're mentioned throughout the website.
    - **Products & Services Disclaimer**
      **[Care Center Name] is an independently owned and operated care center that may [promote, sell, or provide] [services/products]. Privia Medical Group is not responsible for these products or services. Privia's Authorization & Consent to*

Treat, Financial Policy and HIPAA Notice of Privacy Practices are not applicable to these services or products.

Carve Out Example:

Eyewear Center*

Eye Physicians of Virginia offers high-quality frames and lenses in a variety of price ranges for every age group, from proprietary brands crafted in Italy, to well-known brands.

We understand – fashion, style and feeling good about your frames matter. But seeing well should be equally important to you. If your eyeglass frames make a statement about you and your world, then your lenses should make a statement about how you see it. And for that, you need a guide. Our competent and caring staff of trained professionals give you personalized care to suit your needs from frame selection to explanations of lens options. Patients comfort and satisfaction are important to us. We will do all we can to make sure you're happy with your glasses. Please contact our Licensed Optician for an appointment at 703-435-8725.

Products & Services Disclaimer
